

DE LA SALLE
INSTITUTE

THE CITY OF DE LA SALLE

Membership in the City of De La Salle is a serious commitment, and the demands of membership are significant. A student unwilling or unable to make a daily commitment to be a member of the council, or a student only interested in enhancing their college resume should not be an officer. Commitment to the City of De La Salle extends beyond attendance at weekly meetings. Members dedicate their energy to improving the life of the student community; continually searching for ways to make De La Salle a more positive place that meets its students' needs. These commitments clearly classify membership in the council as active rather than passive.

I, _____, understand that being a member of the City of De La Salle is not only an honor but a **responsibility**. As an officer and a school leader, I am responsible for setting a good example for others and for promoting school spirit. I also understand and agree to the following:

1. I will maintain a minimum of a C average with no F's in any class.
2. I will attend all morning meetings.
3. I will attend all City of De sponsored events.
4. I will participate on City of De committees and complete tasks assigned to me.
5. I will seek the views of my classmates, regularly asking for opinions from the class level I represent.

I understand that if I do not fulfill the above minimum expectations of a City of De La Salle officer that I will be removed from my position.
