

Fall 2023 A newsletter for De La Salle Institute and Lourdes High School Alumni

Dear De La Salle and Lourdes High School alumni,

We're well into the 2023-2024 school year at the "D". Academics, extracurriculars and athletics have all commenced and as we forge ahead into the Fall season here's a look at what's been going on:

RECENT EVENTS

Alumni Weekend

Our Alumni Weekend took place on Friday, September 22 and Saturday, September 23. Over the course of two days, we welcomed alumni and friends "back to campus" to enjoy a pregame tailgate, tours of campus, mini-classes taught by current and past faculty members, brunch and ceremonies celebrating our Sports Hall of Fame, Honor Key, Outstanding Young Alumni, 50th Anniversary and 25th Anniversary classes. Through the generosity of our special anniversary class planning committees, generous alumni and attendees at the events, we were able to raise over \$11,000 in scholarship funds

During halftime of the Varsity Football game, we introduced the newest class of the De La Salle Athletic Hall of Fame: Jenna Bruno '06, James Buss '12, Rob Greer '82, Shedrick Mossman '03 and Derek Needham '09.

The Alumni Association and President Anne Marie Tirpak had the pleasure of presenting the 2023 De La Salle Institute Honor Key to Mr. Anthony Brooks '75 at this year's Alumni Weekend Brunch. The Honor Key is presented to graduates and/or current or former De La Salle educators who have distinguished themselves by their achievements at De La Salle and by their civic, commercial or humanitarian success. It is the highest honor bestowed to an individual by De La Salle Institute.

After graduating from De La Salle, Tony considered pursuing law but his mother and grandmother talked him into political science and finance. He graduated from Northern Illinois University with his B.A. in Political Science. He later accepted a position at Goldman Sachs where he spent 30 years, retiring from his fulltime job in 2016. A generous supporter of De La Salle, Tony continues to serve others in the Lasallian tradition he learned in school. Three times a week Tony spends time with Venezuelan migrants who are currently being housed at 51st and Wentworth in the city.

Also on Saturday, we had the opportunity to present the first Outstanding Young Alumni Award to Marcus Carter '13. Immediately following his receiving the award, Marcus left to attend the wedding of two DLS alumni, so he was not able to give his accepting remarks, but is happy to share them here, with the entire alumni community:

"I am overwhelmed with gratitude to have been the first recipient of the De La Salle Young Alumni Award. I'm extremely honored to have my journey recognized by De La Salle Institute in this way. It feels surreal to have my hard work acknowledged by such a prestigious institution.

When I first started out on this path, I never could have imagined that my efforts would be celebrated like this.

De La Salle has been a beacon of excellence in education for decades, and to be acknowledged by them is a testament to the dedication and passion I have poured into my endeavors. This recognition serves as a reminder that perseverance and determination truly pay off.

Reflecting on my journey, I am grateful for the support and guidance I have received along the way. It wouldn't have been possible without the unwavering belief of my mentors, the encouragement of my family and friends, and the opportunities provided by De La Salle. Their faith in my abilities has been a driving force behind my accomplishments.

This recognition is not just a personal achievement; it represents the collective effort of everyone who has contributed to my growth. It is a testament to the power of community and the strength that comes from uplifting and supporting one another.

Moving forward, I am inspired to continue pushing the boundaries of what I can achieve. This recognition fuels my determination to strive for even greater accomplishments in the future."

-Marcus Carter '13

SCOREBOARD DEDICATION

At halftime of this year's homecoming football game, we officially announced the dedication of the Wagner & Class of '67 Scoreboard and welcomed Mike Wagner and several of his classmates onto the field. Mr. Wagner was also invited to perform the pregame coin-toss. Thanks to Mike Wagner and the Class of '67 for your generosity and continued support.
